

ALBY GEORGE ALEXANDER

Kochi, Kerala, India

Phone: +91-XXXXXXXXXX

Email: your.email@example.com

OBJECTIVE

Motivated B.Tech student specializing in Artificial Intelligence and Data Science seeking an entry-level opportunity to apply skills in machine learning and data analysis.

EDUCATION

B.Tech in Artificial Intelligence & Data Science
Your College Name, Kerala (2022–2026)
CGPA: 6.0/10

TECHNICAL SKILLS

Python, Java, C, Machine Learning, Data Analysis, NumPy, Pandas, MySQL, Git

PROJECTS

Student Performance Prediction System – Built ML model using Python and Scikit-learn

Sentiment Analysis – NLP-based analysis using Python and visualization tools

Artificial Neural Network Model – Implemented ANN concepts in Python

CERTIFICATIONS

NPTEL – Artificial Neural Networks
Python for Data Science
Machine Learning Basics

SOFT SKILLS

Problem Solving, Teamwork, Communication, Time Management

LANGUAGES

English (Fluent), Malayalam (Native)
